ASSIGNMENT QUESTIONS:

1. What is a journal?
2. List the kinds of journal.
3. State types of account.

ISOKO

With the help of your Evere Isoko textbook, study the spellings of numeration 20-40.

CULTURAL AND CREATIVE ARTS

WEEKS	TOPICS	CONTENTS
1.	Collage production	Meaning of collage Materials used in collage making Method of producing collage Uses of collage
2.	Mosaic production	Meaning of mosaic Materials/ tools used in collage making Production process of mosaic Uses of mosaic
3.	Modeling with papier mache	Meaning of papier mache Materials for making papier mache Process of making papier mache Uses of papier mache

ASSIGNMENT QUESTIONS:

1. What is collage?
2. List five materials/tools used in producing papier mache.
3. What is mosaic?

MATHEMATICS

WKS	TOPICS	CONTENTS
	Perimeter of Plane Shapes	Measuring Perimeter * Using Formulae for Calculating Perimeters * Perimeter of Circles
	Area of Plane Shapes	Area of: Rectangles and Squares, Parallelograms, Triangles, Trapeziums, Circles
	Volume of Solids	Volume of Cuboid * Units of Volume and Capacity * Volume of Right Prism * Surface Area of Prisms

ASSIGNMENT QUESTIONS:

A rectangle has sides 9cm by 7.5cm. Find its perimeter.

Calculate the perimeter of a circle with radius 42cm. if a square has the same perimeter as the circle, calculate the length of one side of the square.

(Take $\pi = \frac{22}{7}$)

The parallel sides of a trapezium are 25cm and 35cm. if the area of the trapezium is 540cm², find the distance between the two parallel sides.

Calculate the volume of a cuboids with length = 18cm, width = 12cm and height = 8cm.

PHYSICAL AND HEALTH EDUCATION

WEEKS	TOPICS	CONTENTS
1.	Health Organizations	Meaning of health and health Organization Various health Organizations Importance of health Organization
2.	Personal health	Meaning of personal health Determinants of personal health Characteristics of a healthy person.
3.	Common sports injuries	Meaning and types of sports injuries Causes of sports injuries Preventions of injuries during sports
